## Important Dates

### Parent Teacher Conferences a Success:

We had a very good turn out for parent-teacher conferences. Teachers were located in the gym to allow easier accessibility for parents. Report cards were handed out to parents. Kim Stanger had a table set up to show the work being done in the Title VII program. The SHARP kids also had a table set up to promote the after school program. Teachers were also able to go over student learning plans with parents and students at this time. The staff will continue to work on ways to increasing attendance at conferences. We would love to have 100% attendance.

## Boy's Basketball

Basketball is off to a strong start. The 8th Grade team won their opening game against Liberty Bell and the 7th grade team put on a strong showing. There are nine eighth grade boys and 5 seventh grade boys.

## Cheer

The cheer team is strong in numbers with 21 participants. The coaches are thankful to the board for allowing an assistant coaching position. The team is split into two squads, one cheering for the 7th grade game and one for the 8th grade game.

# Veteran's Day

Mrs. Hood and the 8th grade class once again put on a wonderful Veteran's Day assembly to honor our Veteran's. Brady Black opened the ceremony and thanked the Veteran's for attending. Mrs. Hood introduced the Veteran's and the ASB officers presented them with certificates. Next there was a slide show presentation showing pictures of our local Veterans and students family members who served our country. Mrs. Hood also presented a story describing what it means to be a Veteran. The microphone was then open for any Veteran who would like to address the student body. The Veteran's that spoke were very thankful for the day and many asked the students to work hard in school and be respectful of the teachers and adults in their lives. **Thank you Mrs. Hood and the 8th grade class for all your**

**hard work and the wonderful way you honor our Veterans.**
