On October 8th six colleges gave presentations to our 7th and 8th grade students. They gave information about their campuses and the different programs they offer. Students were able to collect brochures on the different colleges to help begin planning their future.

Author Visit

On October 22, Susan Fletcher entertained our 6th -8th Grade students about how she became an author and spoke about the different books she has written. Most of her titles can be found at our local library.
