

Utilizing Skyward Family Access

Parents or guardians may view his/her student's grade on-line through Skyward Family Access. You can access Skyward Family Access from any computer with an internet connection. If you do not have internet access at home, you may utilize a computer at your local public library or come into the school. Your secure login name and password is the same for every student you have enrolled in the Grand Coulee Dam School District no matter which school they attend. If you have lost or did not receive a username and password, please contact the school.

Access to the Skyward Family Access website can be made by following these steps:

1. <Click> on the Skyward Family Access link here or at the top of the page.
2. Enter the secure login information listed above and <click> "Login."
3. Once you have entered in the Skyward Family Access website, there will be a drop-down list at the top of the page with the name(s) of your family's student(s) enrolled in the Grand Coulee Dam School District. Select a student's name from that list to view their information.
4. Select any of the options from the menu bar on the left of the screen for specific information.
5. Grading information is viewed by selecting the "Grading" option from the menu bar. You will then see a class list. The class list will have columns of grades for quarter (T1), and semester (S1). In the (T1) column you will see a grade for each class. <Click> on the letter grade to see current and missing assignments for each class.
6. If you need help navigating the site, there is a help menu on the left of the screen.
